SUBJECT:

Water Use Efficiency for the Oasis Community Association

BACKGROUND:

The Oasis Community Association is one of Eastern Municipal Water District's (EMWD) largest water customers. With recent changes to the tiered rates and budget, Oasis has seen an increase in its cost for water and reached out to EMWD for assistance. This presentation reviews water use efficiency actions for the Oasis Community Association, and provides an overview of a proposed program to reduce water use and costs.

FINANCIAL IMPACT:

None.

STRATEGIC PLANNING GOAL/OBJECTIVE:

Water Use Efficiency: Promote efficient use of water resources through the implementation of industry-leading programs and practices combined with customer education and awareness.

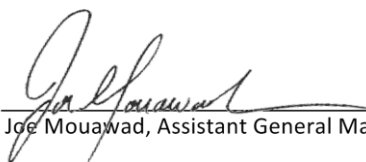

ENVIRONMENTAL IMPACT:

This item is not a project as defined in the California Environmental Quality Act Code of Regulations, Title 14, Chapter 3, Section 15378.

RECOMMENDATION:

This item is informational only.
